

Whiter Image

The innovative Skylight Lamp in conjunction with the unique Whiter Image patented One Way System creates a dazzling, brighter and whiter smile in as little as 15 minutes.

LIKE HAVING AN EXTRA THERAPIST IN YOUR SALON!

The mouthtray is made from patented rubberised silicone with a focal window which directs the UV light to both the upper and lower teeth while whitening. The tray is prefilled with a hydrogen peroxide paste allowing for effective whitening of both back and front teeth.

Simple, safe (FDA & EU approved), easy to use and with minimal staff involvement this system is a great addition to the salon. Cosmetic Bright provides professional results at an affordable price.
