

[ comfort zone ]

The basis of our professional values derives from the Mediterranean culture but also from the heritage of ancient cultures, which have passed on to us the value of taking care of oneself and of sharing spaces and gratifying experiences.

**Our principal guides are science and nature**

Continuous innovation in formulation, thanks to scientific research, is the [ comfort zone ] research laboratories' forte. The laboratories are able to draw out nature's benefits from the infinite potential she has to offer us, combining the intelligence of science with her wisdom.
